February 2019

February 2019 Guild Highlights

Next Guild meeting is Wednesday, February 13, 2019 at 7-9p.m.

Monthly meetings are held at Bemis Library, 6014 S Datura St. Littleton, Lower level.

Meetings are the second Wednesday of each month except for July, August and December.

Robin Cochran-Ragland will be doing the February meeting demo.

Retirement has allowed me to pursue figure drawing as a fine artist. The influence of graphic design is evident in the placement of poses and limited color palette. I have always been pulled to the simplicity and complexity of the human figure. I attempt to capture a pose quickly and fluently. The figure is so personal, so close, I am so very aware of its image, yet I shun realism. Too obvious.

Expanding my view to create an ideal of the figure is much more appealing. I strive to interpret the figure and perfect the mood of the pose while conscientiously trying to create a well-designed work of graphic art.

I learned from master figure artist Harry Carmean and master anatomical artist Burne Hogarth; as well as painters Dan McCaw, Lorrie Madden and Peter

Liashkov; illustrators Antonio Lopez and Bill Rieser. Dawn Emerson and Pat Clark are a more recent influence.

I moved to the Denver area in April 2018. I am a co-op artist at Lakewood Art Gallery where I also teach still life and figure drawing bi-monthly. I am a member of Redline Contemporary Art Center where I teach at their bi-monthly drop-in figure drawing sessions. I also belong to 40 West Art Gallery and Art Students League of Denver.

Everyone enjoyed Steve Griggs demo at the January meeting. Along with his sense of humor and loose painting style all of us who were there had a good time. He will be doing a 2-day workshop April 25 & 26th. More details below in upcoming workshops.

President's Message

Heritage Fine Art Guild Members and Friends:

Happy February! I hope everyone had a chance to catch a glimpse of the recent lunar eclipse—it was certainly the most spectacular I've ever seen! I felt it was awe-inspiring but also strangely disorienting to think of earth casting its shadow onto the moon, and of ourselves as tiny specks clinging to a sphere virtually sandwiched between two others floating through space... What a perspective!

And, yes... I know you have all been waiting in eager anticipation for it, but it really IS that time of year again! Please start thinking about our upcoming elections for the 2019/20 Board and what position you might be willing and able to take on! Unlike last year, when we had only one vacancy, this year we will have **a number** of them, so **now** is the time to reach out to the current office holder(s) for anything from Workshop Director/Assistant, to Membership, Recording Secretary, and even President... (considering I am already a year beyond my term limits!) and learn about the specifics of the job that interests you. It's the best way to combat your fear of the unknown and reassure yourself that **yes, you can do it, too, and make a difference! We need you!!** Have a joyous February, and needless to say... get involved and keep painting!
