Organization 1 - [About Angel Card Project](#)

The Angel Card Project is an internet wide charity event designed to send greeting cards to those in need. The project started as a very small grassroots effort to reach a few individuals to let them know they were not forgotten. Supported solely by volunteers, the mission of "Sending Love, One Christmas card at a time" was formed. From humble beginnings of 20

volunteers, over the years we have grown into a large network with participants from many different countries. In 2020, our 8,000 volunteers gave over 100,000 Christmas cards.
