*"Painting with Dr. Ph. Martin's Watercolors
and Wax Paper as a Brush"*

Janet Nunn is an award-winning watercolorist known for her use of bright color and blending techniques. Janet's works have been featured in Splash 14, and Splash 16 and Watercolor Artist magazine and has published several of her lessons in her book, "How Do You Paint That." Her popular watercolor workshops take abstract techniques and make them realistic, all in an effort to simplify the watercolor painting process.

President's Message

Hello Heritage Members and Supporters-

The holidays are fast approaching which means a busier time for many of us and less free time to paint. However, carving out an hour here or there for something like painting or seeing an art show can be a great way to take a break. We have two Guild shows for you to visit in November and December so I hope you will take advantage of this great lineup and stop in to see your colleagues' work. The "Alley Arts" show runs Nov. 1-30 and "This is Colorado" runs Nov. 30 - Dec. 21. Locations and times are listed below.

We currently have an opening on the Board of Directors for a Recording Secretary. I hope you will consider this opportunity to contribute to the Guild's efforts. A detailed description of the tasks involved are further on in this newsletter.

I hope to see you at the next Heritage meeting on the 10th. Have an enjoyable Thanksgiving holiday later on this month!

Stay well and keep in touch with the Guild,
Patty Nash, President

Member Webpages

"Big Blue Grand" by Bon Stahlin

11x14 Oil and Cold Wax

Members can have a personal webpage on the Heritage Fine Arts Guild website. You can use it to display your paintings, or to highlight and advertise your art. You can also provide your contact information for interested buyers, or link to a personal website if you have one. Go to the [Our Artists](#) tab on the Guild home page to see examples of other artists' pages and find a link to submitting paintings for your own page. Take advantage of this opportunity to showcase your creative talent!

Board Member Opening

The Guild's Recording Secretary recently had to leave her position, so we are in need of someone to take on this role. The requirements are to attend Board meetings, which occur 1 hour prior to the regular monthly meetings, take minutes of the Board meeting, and help make decisions regarding Guild operations. A number of the meetings will be via Zoom, so we would need someone comfortable using that platform. If you would be willing to step in for the rest of the Guild year (5-6 meetings), please contact Patty at nashpa@icloud.com. Thank you for considering this!
