June 2020

### June 2020 Guild Highlights

### Because of the COVID-19 Pandemic Monthly IN PERSON meetings are postponed until further notice.

Monthly meetings are held at Bemis Library, 6014 S Datura St. Littleton, Lower level.

Meetings are the second Wednesday of each month except for July, August, and December.

### June 10, 2020 meeting information

The June 2020 meeting will be held via Zoom. The Board meeting will begin at 6 pm. The general membership meeting starts at 7pm: however you may join the ZOOM call anytime because the ZOOM call- in information will be the same for both the board and general meeting. ZOOM logon details will be sent to members by email within the next few days.

Following the business meeting, we will have the opportunity to see the

responses to the Art Challenge that was sent to everyone last month. If you missed it, you can find it [HERE](#). There is still time to come up with your interpretation of the subject to share with the group. However, you don't have to have a painting to participate in the discussion. Just enjoy the art and provide some feedback!

## **President's Message**

Dear Heritage, Fine Art Guild Members and Friends:

It is with some sadness that I embark on writing my last President's Message after four years in office. It has truly been a pleasure to serve Heritage Fine Arts Guild in this position while working (and painting) with so many great volunteers, members, artists, and friends. Thank you to all who helped make my job easier and carry our Guild forward throughout this time. As anyone knows who has attended one of our traditional year-end get-togethers, this is where I would normally hand out a...

... (or similar ;) as a token of appreciation for everyone's contributions! Given the current limitations and social distancing precautions, a photo of one of the first blooms on my backyard rose bush will have to do!

I am pleased to announce that our 2020/2021 Board was voted in unanimously and is listed below. Thank you to all who participated in our email election! We received a good number of "yeas" and, not surprisingly, zero "nays".

Our new President, Patty Nash, along with the 20/21 Board, will officially be instated on July 1. Because our spring season was curtailed by the epidemic, we decided in our May Board Meeting to forego our summer hiatus and to continue offering a variety of activities during the June through August months leading up to the official beginning of the 2020 fall season on September 1. This means we will be continuing monthly board & members' meetings (for the time being, still via Zoom) and offer both online and in-person painting/art activities, such as the upcoming art challenge, (plain-air) paint outs, demonstrations, critiques, etc. Please let us know if you have any suggestions for things you would like to see or do, or if you come across anything online or through other art groups that might be interesting for all of us. And do stay tuned for the various "Zoom invites"!

If you have not checked out our website recently, there are plenty of reasons to do so now! Our 2020 online show is up!! Congratulations to the award winners and a big thank you to all who made it happen... to all participating artists, juror Phyllis Vandelaar, and of course, Bonnie Stahlin, who once again did a spectacular job creating the Online Show web page.

And speaking of our website, on the "Current Workshop" page, you will also find a PowerPoint version of Lee Wasilik's marker demonstration that took place last month. If you missed Lee's presentation for any reason, and even if you did not, this is a great way to gain (or recap) some valuable insights on this new/old medium. Thank you, Lee, for putting this together! I know there were lots of technical challenges that had to be overcome along the way... We truly appreciate your perseverance!

I hope you can join us for our meeting and "art challenge" scheduled for next week (details below), and do stay tuned for more HFAG attractions coming soon. In the meantime—one last time... I hope you will get, or stay, involved, and keep painting!

Thank you and all the best,

Beatrice
