Kathleen is an award-winning artist with a passion for watercolor painting! Painting in the studio as well as Plein Air (outdoors on location), she immerses herself in the fluid and unpredictable qualities of watercolor paint to capture the brilliant light and colors of nature. Kathleen paints in a realistic painterly style, bringing the effect of changing light and color that describes the atmosphere, context, and shape of the scene to the paper.

Kathleen has been commissioned by several private collectors, medical facilities, offices and schools to paint original watercolors and murals to enhance and enliven the atmosphere for the communities.

Kathleen grew up in both Montreal and California, and for over 27 years has enjoyed the endless painting subjects that living in Boulder, Colorado, offers. Kathleen was formally trained at the Art Institute of Boston and at the Massachusetts College of Art, graduating from both schools with a BFA.
