## President's Message

### Heritage Fine Art Guild Members and Friends:

Dear Heritage, Fine Art Guild Members and Friends:

“I just cannot find enough time for art!” Isn’t that a common complaint we all share, trying to juggle our desire to create with all the other responsibilities we have? It’s crazy how life always interferes with our best intentions—as soon as an opening appears in the schedule, something inevitably comes up to fill it right back up again. I have good news for you though, an absolutely brilliant way to help you keep your artistic endeavors on track!

We currently have LOTS of opportunities for you to take on a more active role with the Guild—a surefire way to crowd out other, perhaps less satisfying commitments on your schedule! (I would know... juggling a full-time job, family and household obligations, it’s worked that way for me for years and helped me keep painting even when I felt completely overwhelmed with everything else!).

To keep the Guild running smoothly for the 2019/2020 season, we **desperately** need to fill the following positions:

- Workshop Director (incumbent Mary kay Jacobus)
- Assistant Workshop Director/Monthly programs (incumbent Shirley Lamb)
- Publicity (incumbent Lee Wasilik)

**Please** let me know (or contact the current office holder) if you have **any** interest at all in taking on one of these positions and would like to find out more about them. I can assure you that every member currently holding the job will be more than happy to help you ease into it, making the transition as easy and smooth as possible. The rewards and satisfaction from making a contribution to our organization—which has been thriving because of its volunteers since 1974!—are guaranteed!

Thank you in advance for stepping up... and keep painting,

### **March Guild Meeting Program**

For the March 13 Guild Meeting, we thought it would be great to have a program that was a bit more hands-on again—it's been quite a while since we had an opportunity to **do** rather than watch and listen. Borrowing from an exercise everyone enjoyed tremendously during the recent Lance Green workshop, we will all share in a number of “communal paintings”. The guild is supplying canvases, acrylic paints, and an assortment of brushes (although you are welcome to bring your own favorites if you have any that are suitable for acrylics). To keep entertained while awaiting your turn at the community canvases, you will also receive a small, wearable canvas to paint and keep as your HFAG nametag. We hope you can join us!
