March 2020

March 2020 Guild Highlights

Next Guild meeting is Wednesday, March 11, 2020 at 7-9p.m.

Monthly meetings are held at Bemis Library, 6014 S Datura St. Littleton, Lower level.

Meetings are the second Wednesday of each month except for July, August and December.

The February Guild meeting guest on March 11, 2020 will be:

Trish Sangelo, with Colorado Gallery of the Arts at Arapahoe Community College

She will talk to us about many questions that have come up over the years about

- What we can or can't do with our art?
- What is legally right but ethically wrong?
- Who owns what after a painting is sold?
- Are you selling an original creation but not your copyright?
- What should be on a contract during the sale of your art?

She'll bring an art contract that you'll be able to take home with you.

Friendly Membership reminder

Our membership year starts July 1 and goes through June 30.

Dues are currently \$40.00 a year. Please join or renew your membership by September so your name and address can be included in our Membership Directory.

Membership can be paid online at our website at www.heritage-guild.com

or you can send a check to Sue Bracken at 2880-G W. Long Circle, Littleton, CO 80120. If paying dues by check please make a note on check that it is for membership dues.

Thank you, Beatrice, for the photos

**A very BIG THANK YOU to Joyce Kramer for submitting
the SCFD grant.
The Guild appreciates you.**

**Thank you, Polly Oliver and Linda Millarke, for the
refreshments you shared with the membership at the
February meeting.**

Volunteer Needed!

For each meeting, we need someone to bring the bag that contains plastic ware (glasses and utensils), paper goods (napkins, plates, tablecloth) for the meeting refreshments.

It is all in one bag and could just stay in your trunk between meetings.

We also need you to make sure there are plenty of the items. If not, we need you to purchase more. Keep your receipts as Carolyn Moershel will reimburse you.

Thank you Linda Metcalfe who has been taking care of that but will not be able to any longer because of surgery.

President's Message

Heritage Fine Art Guild Members and Friends:

The word is out... The 2020 Heritage Online show is now up and running! Thanks to the efforts of Bonnie Stahlin and Carolyn Moershel,

our website is all set up and ready for your entries. This year's show is open to both members and non-members, and all entry-fee payments can be made online. All you have to do in addition is download and complete the entry form, and then email it to hfagwebsite@gmail.com along with your images. I'm pleased to announce that our juror this year is long-time Heritage member and art instructor Phyllis Vandelaar, who has graciously agreed to take on this role. We will once again be making every effort to promote the online show as much as possible through traditional and social media. Be sure to enter and spread the word—it is a great way to give your paintings some hassle-free exposure and perhaps win an award or find a buyer!

See you at the upcoming Homare Ikeda workshop or our March meeting, and in the meantime, as always, remember to get involved and keep painting...

"A New Look at Tools and Skills" with Homare Ikeda

**Saturday, March 7, 2020 9am-3pm at the First Presbyterian Church,
1609 W. Littleton Blvd, Littleton CO**

"Haika-Brown" by Homare Ikeda

Brush is an extension of your finger. A twig, a piece of cardboard or something other than brush might be a good tool for your painting. This workshop is designed to give artists a new look at tools and skills. Students will be working with the unconventional tool to be free from your expectation. Being in outside of your norm, you will discover a hidden talent that might help your painting style. The workshop is not much to do with how to paint, its emphasis on exploration.

[Friday & Saturday, April 3 & 4, 2020 9am-3pm at the First Presbyterian](#)

Church,
1609 W. Littleton Blvd, Littleton CO

Planning the compositional pattern is crucial for the success of a painting. We will use photos of sidewalk cracks to get us started. Your assignment: Look down! You can find amazing patterns for geologic abstract paintings in cracked sidewalks and driveways. I will also have many photos I have taken for you to use in your compositions.
