## President's Message

Dear Heritage, Fine Art Guild Members and Friends:

Hopefully, all of you are continuing to stay safe and well... In a time when good news is hard to come by, I am thrilled to be able to share some great ones with you! **Patty Nash**, our current 1<sup>st</sup> VP and previous Communications Secretary in charge of the newsletter, has graciously agreed to drop the “V” next year and take over the role of HFAG President! There are some mostly workshop-related duties that I will continue to (happily) carry out, but after four consecutive years, it is great to be able to pass the baton into fresh and very capable hands. Just as soon as we figure out who will be our new 1<sup>st</sup> VP next year, we should be ready to cast our votes and finalize the HFAG board membership for 20/21. Given that we are still unable to physically get together for a meeting, we will conduct this year’s election by email, so keep your eye on your inbox for our first-ever, epidemic-imposed **Heritage Fine Arts Guild e-/mail-in ballot!**

Thanks to Lee Wasilik, we are still on track for the **virtual art demo** as previously announced. You can find all details regarding Lee’s presentation below. At the moment, we are still tweaking some of the setup and technical details, but it should be a very simple process to join our Zoom meeting and watch the demo next week, on **Wednesday, May 13, at 7pm**. A meeting invitation with link and instructions will follow in the next few days.

As of May 1, the **2020 Heritage Online show** is closed for entries. We are currently moving through the acceptance and jurying process and will be able to announce the winners by June 1. We had a great turnout with a total of 75 art pieces. Thank you to all who entered and everyone helping to make this event not just a virtual, but a very real success!

In times of darkness and clouds, it helps to look up and find the silver lining... or create it! Hoping you can find the time and energy to... get involved and keep painting,

Beatrice

**Virtual Art Demo with Lee Wasilik  
On Wednesday May 13, 2020  
at 7 pm**

**In the immortal words of the Monty Python guys, "Now for something completely different..." The HFAG May meeting will feature an online demo by guild member Lee Wasilik who holds to the moderately widespread belief that magic markers are an underutilized tool for creating art -- both for sketching and quite surprisingly**

for finished art.

Markers are ideal for plein air sketching; they're easy to carry, requiring no brushes, no water or other mixing mediums, no canvas, no easels -- just a few markers and a sketchpad. For finished art, you are limited only by your imagination. You can even do portraits! They are ideal for use with other mediums as well. See the article on how to join Lee's demo in this newsletter.

**We will send out the ZOOM information via email when the details finalize.**

**Upcoming Workshops**

**ALL WORKSHOPS ARE CANCELED UNTIL**

**Thank you, Mary kay for this lovely quote**

"The world tells you to hurry.  
Art tells you to take your time.  
Always listen to the art"
