## **President's Message**

Hello Heritage, Fine Art Guild Members,

It looks like we will have a nice day for the plein air workshop at Sterne Park on Saturday. The cooler weather is here and with it the beautiful autumn

foliage. There are so many wonderful painting opportunities now. I've been working on a couple of aspen paintings with gold foliage and blue skies. A cannot miss combination!

If you weren't able to join us for last month's Guild meeting, a recording of the demo is available here: Watercolor Batik Demo Passcode: 00\$&O\$C . We are looking for more artists to give demonstrations so please let Shirley Lamb know if you are aware of anyone who would like to do this (or if you would like to do one!). Shirley can be reached at [lambpaint@yahoo.com](mailto:lambpaint@yahoo.com) or (720) 394-6422.

I want to thank Mary kay for arranging the many plein air workshops we've had since June. They have kept us active and inspired while our regular workshop venue is closed. The cold weather will result in a pause in these Heritage workshops, but if you are one of those hardy souls that likes to paint outdoors all year round, Anita Winter coordinates a south metro group of plein air painters that meets weekly on Tuesday mornings. Locations are announced at <https://www.pleinairartistscolorado.com/Denver>.

We continue to look for ways to stay connected and painting this winter, so if you know of an instructor who might like to do an online workshop for us, an art museum that is open with an interesting exhibit, or any other opportunity for us to get together, please let someone on the board know!

Stay well and keep in touch with the Guild,

Patty Nash

President

# **Membership Reminder**

## **Support US!**

### **Help Keep Your Art Guild Going!**

This is a difficult year for non-profit organizations like Heritage that cannot provide their normal activities and services. The SCFD helps us tremendously but we still need our members to support us. If you are in a position to renew your membership, please consider doing so today. We are working to provide alternatives to in-person workshops and meetings, and we look forward to resuming our normal programming as soon as the coast is clear!

Membership can be paid online [here](#) or you can send a check to Carolyn Moershel at 4367 S Clarkson St, Englewood, CO 80113.

## September Highlights

Our September 12, 2020 workshop,  
**Painting Structures Made Easy**  
conducted by Phyllis Vandelaar.

Phyllis always brings great ideas, great enthusiasm, and many supplies to share. She pays individual attention to each student and helps them understand what watercolor really does. Artists left the workshop feeling they had had a wonderful experience learning new methods while spending time outdoors. She graciously agreed to do a follow up workshop on October 3, 2020. Phyllis supports our Guild in so many different ways and this time she

conducted the workshop as a donation to our Guild.

Thanks to Mary kay for this nice write up.
