

PHYLLIS VANDEHAAR

WEBBING & VARIOUS MATERIALS

MATERIALS LIST

- Some kind of board on which to work, plus masking tape (no blue tape)
- Some kind of adhesive: White glue, rubber cement, glue stick, etc.
- Variety of designing materials:
- Piece of white chalk . . . only if you have it!
- Watercolors: Any kind . . . either cheap or expensive (few different colors)
- Pastels: preferably soft and a few different colors
- Variety of paper materials from which you can tear images or shapes (magazines, newspapers,
- Rice papers, etc.) Remember, you are working on black, hence, black imagery may not work well!
- Drinking water and Water container for Watercolors
- Paper Towels - Medium round brush for watercolors (can be cheap)
