### **President's Message**

Dear Heritage, Fine Art Guild Members and Friends:

Welcome to another Heritage Fine Arts season and the 2019/2020 year—our 46<sup>th</sup>! I hope everyone had a great summer and is ready to resume our art group activities with renewed enthusiasm and creative energy...

For our first monthly meeting on September 11, we will be doing a repeat of last year's popular "Welcome Back Show & Tell". All members are encouraged to bring a painting, sketch, or any other art project they may have completed during the summer; alternatively, if you had rather just share an art experience, discovery, or insight, that will be perfectly fine, too. It's always a lot of fun to hear what art endeavors everyone was up to during our months "off" and, at the same time, a great opportunity for "old" members to get re-acquainted and new members to introduce themselves. Our Board members will be in charge of providing refreshments.

Also on tap (for September 7) is our first workshop of the 2019/20 year with Lance Green, a long-standing instructor and friend of our Guild. I couldn't think of a better way to kick off the new season knowing that Lance's workshops are designed to—and always succeed in—letting our creative spirits run free. I hope you can attend... there's still time to sign up, just go to the website at [www.heritage-guild.com](http://www.heritage-guild.com).

For my 4<sup>th</sup> year as president, I am hoping for yet another successful and creative year for our group—one in which we continue to inspire each other to be even better, and more productive, artists. Whether you are planning to attend workshops, participate in paint day or art shows, attend meetings or demonstrations, there are so many ways, large and small, in which you, as a Heritage Fine Arts Guild Member can contribute to the success and longevity of our organization. Thank you in advance for doing your part and remember to get involved... and keep painting!

Beatrice

### **Acrylic Fun with Lance Green**

Saturday Sept. 7, 2019

9 am - 3 pm

In this workshop Lance will have each student to write down exactly what they would like to focus on - be it color mixing, composition, how to paint a particular subject.

We all have things we struggle with and things we love to do in a painting -- let's work on whatever it is you need in the area of acrylic painting.

Lance will bring 3 x 5 cards and students will spend the first ten minutes or so writing out what they want to work on.

Materials: Please bring your usual acrylic art supplies:

- paints & brushes
- water containers
- apron, etc.
- 2 large canvases in the 24 x 36, 30 x 40, 36 x 48 size range

Breakfast coffee and treats provided. Please feel free to bring treats to share.
